Leadership Profile

Founder Profile

Global SAP Expertise

Over 22 years of international experience in SAP consulting, implementation, and support across SAP MM, WM, EWM, and FIOR.

Enterprise Project Leadership

Successfully delivered large scale SAP projects across multiple industries using SAP best practices for ECC and S Four HANA Cloud environments.

Strategic Technology Leadership

Driving technology strategy, governance, and quality to deliver scalable and high performance SAP solutions for global enterprises.

Co-Founder Profile

SAP Technical Expertise

Over 12 years of experience as a Technical Lead and Architect specializing in SAP Fiori, UI5, and SAP BTP solutions.

Enterprise Solution Delivery

Proven experience delivering enterprise grade SAP solutions for S Four HANA implementations and cloud extensions.

Technology Leadership

Driving technology strategy, delivery governance, and quality assurance to build scalable SAP solutions for clients.

Vission Mission

Empowering Organizations

RPTECH Global Services delivers skilled SAP resources to drive digital transformation and operational excellence worldwide.

Trusted SAP Partner

The vision emphasizes becoming a trusted SAP partner recognized for quality talent and transparent engagement.

Commitment to Excellence

RPTECH Global Services commits to integrity, reliability, and excellence ensuring clients achieve sustainable technology success.

Core Values

Integrity in Business

Integrity ensures transparent and ethical practices, building trust with clients and partners alike.

Commitment to Reliability

Reliability highlights the commitment to meeting deadlines and maintaining consistent quality.

Pursuit of Excellence

Excellence focuses on sourcing top talent and delivering superior outcomes consistently.

Value of Partnership

Partnership emphasizes long-term collaboration and mutually beneficial relationships for sustained success.

Why Choose us

Quality-First Approach

RPTECH Global Services ensures clients receive only pre-screened, highly experienced consultants to maintain quality standards

Fast Turnaround Time

Profiles are shared quickly within 24 to 72 hours to meet client needs efficiently and effectively.

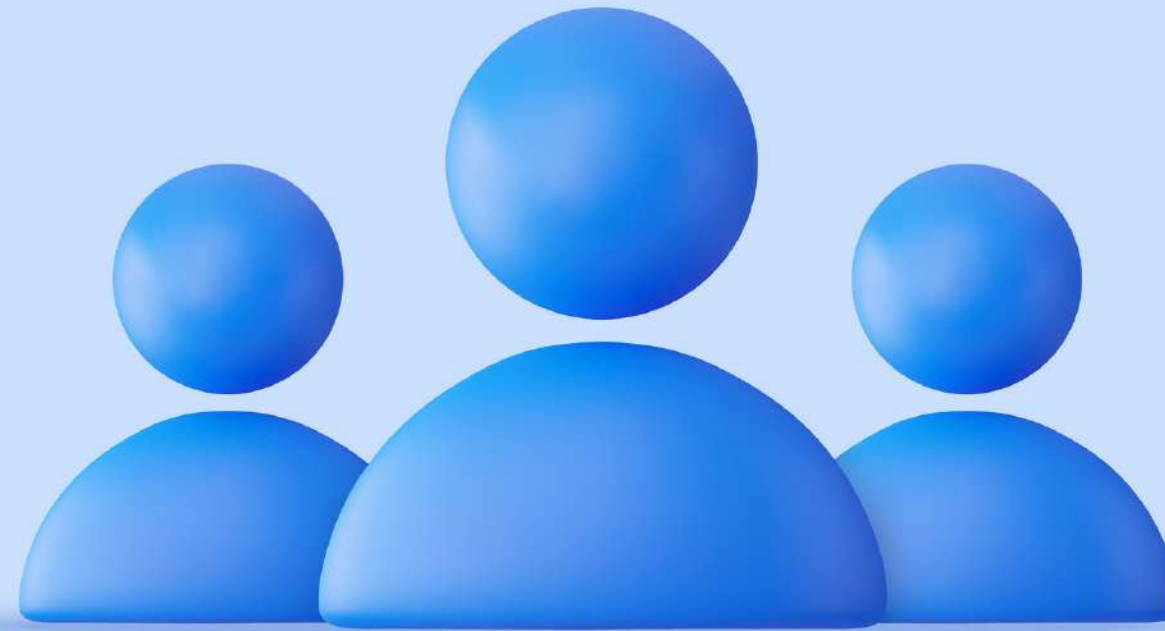

Flexible Engagement Models

Clients can choose from Time & Material, Fixed Price, and AMS models tailored to their project requirements

Global Delivery and Transparency

India-based offshore centers support global clients with transparent pricing and long-term partnerships.

Engagements Models

Contract and Freelance Models

Contract and freelance models such as C2C and C2H offer flexible, short-term client engagements to meet specific needs

Offshore Dedicated Teams

Offshore dedicated teams provide extended support and scalability while integrating seamlessly with client operations.

Pursuit of Excellence

Project-based delivery focuses on specific initiatives with defined scope, timelines, and outcomes for client success

Flexible Billing and Support

Time & Material billing and Application Support services provide flexibility and ongoing maintenance tailored to client needs.

Industries We Serves

Diverse Industry Coverage

RPTECH Global Services serves multiple industries such as manufacturing, energy, automotive, retail, logistics, and IT consulting sectors.

Tailored SAP Solutions

The company provides customized SAP solutions that meet unique challenges and regulations in each sector.

Operational Efficiency

By leveraging expertise, RPTECH helps clients improve efficiency and gain competitive market advantage.

Global Presence

Global Delivery Centers

RPTECH Global Services operates delivery centers in India serving clients across multiple global regions including Europe, MENA, APJ, USA and APAC

Local Expertise with Global Standards

Combining local expertise with global standards allows delivery of culturally aligned and technically robust solutions

Bridging Talent and Demand

The company bridges international demand with skilled SAP talent ensuring seamless collaboration and consistent results.
